GLOBAL OPPORTUNITY

in Ho Chi Minh City

Venture Capitalists

have **difficulty** in

finding investment-ready startups

everywhere in the world

Accelerators

have **difficulty** in

turning startups investment-ready

everywhere in the world

Universities

have **difficulty** in

providing high-impact E&I training

everywhere in the world

Albert Einstein

“In the middle of **difficulty**
lies opportunity”

everywhere in the world

Universities

just have to take E&I seriously,
acknowledge a **new difficult domain**

in Ho Chi Minh City

Our New E&I Champions

can connect universities as **global factory**
of business creators – **if we just let them**

in Ho Chi Minh City

Accelerators

will then have **no difficulty**
in turning startups investment-ready

in Ho Chi Minh City

Venture Capitalists

will then have **no difficulty**
in finding investment-ready startups

in Ho Chi Minh City

For a preview of what can be
three **cross-university Dream Teams**
will next pitch their E&I offering to startups

in Ho Chi Minh City
